Request for Support

Dear Friend of Momiji,

The Momiji Health Care Society (Momiji) Bowlathon is entering its 16th year. It is now Momiji's largest annual fundraiser and in 2023 we were able to raise more than \$38,500. As a result, we were able to provide additional support and programming to over 700 seniors in the GTA.

Seniors in our community continue to age at home, and Momiji wants to ensure they can do so safely and securely. Government funding has not increased in years and unfortunately, seniors are not a priority for many private foundations or grant programs. Our goal this year is to grow the Bowlathon even more, so we can continue to provide the highest quality of care to our seniors.

Last year, Kaz Shikaze Consulting, won the 2nd Annual Challenge and was presented with the Momiji Cup. This year, Momiji welcomes our new CEO, Eugene Kam, and we invite you to come do battle on the lanes for this year's cup. It's a fun way to help support the seniors and gain some recognition for your company.

It is our hope that you will thoughtfully contribute much needed support to the ***2024 Momiji Striking for Seniors Challenge*** @ the Momiji Bowlathon. Please know that by sponsoring this event you are transforming the life of a senior and supporting us in providing much needed health care, social opportunities, meals, education and so much more

Sponsorship and our CEO's ***Striking for Seniors Challenge*** details have been included for your kind consideration.

Together, we can make an impact! Hope you are able to join us **Sunday May 26th @ Kennedy Bowl, from 12:30-3:30PM with dinner to follow at Momiji Seniors Residence.**

Most Sincerely,

Gayle Cali

Bowlathon Chair
