n Friday, June 11th, Scarborough Health Network's Mobile Vaccination Team (MVT) made their return visit to Momiji, to provide our seniors with their second dose of Pfizer. At this time, 128 individuals were vaccinated including tenants, a few staff members who had not yet received their second shot and six caregivers who were pri-

vately hired by Momiji Seniors Resident tenants. The building, after being so quiet due to the lockdown, was alive with excitement. Tenants were eager to receive their second shot and were so appreciative. "I was so happy to get my vaccination. Thank you to Momiji for arranging this for us," said Mitsue Nishio, a Momiji Tenant and volunteer.

Thanks to this latest visit by the MVT, 143 tenants have now been fully vaccinated and will be fully protected by June 25th. We are extremely thankful to the Scarborough Health Network's Mobile Vaccination Team for coming to Momiji in order to protect the seniors.

LOOKING AT THE COVID-19 PANDEMIC TO DATE - THE WORST OF TIMES AND BEST OF **TIMES**

By Eric Hong, Executive Director

THE PANDEMIC AMONG US

On January 22nd 2020, the first known case of COVID-19 in Canada was detected in a resident who had just returned from overseas. The World Health Organization declared the coronavirus outbreak a Public Health Emergency of International Concern eight days later on January 30th 2020, and a pandemic on March 11th 2020, meaning that it was spreading quickly and widely around the world.

cont'd on page 2

By mid-March 2020, Canada had closed its borders to most non-Canadians. Soon after, Ontario placed the province in a state of emergency in an effort to control the spread of the virus in the community. Consequently, increasing restrictions limiting social, recreational and economic activities were imposed. As of May 2021 we have been living with COVID-19 as an active pandemic threat for over 14 months.

THE WORST OF TIMES

COVID-19 is incredibly infectious with varied and devastating symptoms for which there is no cure. It can cause serious sickness requiring hospitalization. It has caused many deaths among the frail and the old.

Government and Public Health had to impose stringent infection prevention and control measures. Regulatory powers were invoked, mandating the wearing of personal protective equipment, physical distancing in public places and other restrictions, all of which have become common place.

This "new normal" has driven people into seclusion and inactivity. Unintended consequences have already manifested as mental distress and physical deconditioning. Many older adults who had been active have become sedentary and at risk of compromised mobility, function and vulnerable to other health challenges.

Momiji Seniors Residence tenants had previously enjoyed opportunities for socialization, recreation and health promotion on-site. Residents of the local neighborhood and members of the Japanese Canadian community had previously accessed education classes and Seniors Active Living Centre programs at Momiji. For infection prevention and control reasons, Momiji had to circle its wagons and maintain secluded premises for the duration of the pandemic. That meant suspending outward-facing programs.

The successive waves of the pandemic, the cyclical imposing-lifting of lockdown and the stay-at-home orders by the powers interrupted service-delivery which has made this a "Golden Year Lost" for many of our tenants, clients, friends and neighbours. The Worst of Times indeed (sigh).

THE BEST OF TIMES

On the bright side, we were able to respond to the emergence of the COVID pandemic. We concentrated, rationed and focused our resources on supporting and protecting our Momiji Seniors Residence tenants. It has necessitated everybody to be understanding, trusting and willing to be flexible.

Mass programs e.g. Lug-a-Mug, Girls Festival etc. have had to be cancelled. Group-based programs have had to be scaled down. But innovative virtual programs e.g. On-line Friendly Visits and virtual support groups for caregivers were quickly developed and implemented. Cohorting of support services staff to minimize risk of infection spread; re-deploying staff to support daily check-in with tenants by phone; increasing grocery shopping assistance to tenants and other adaptations have been made possible by all Momiji colleagues committing to doing what is necessary to protect and support the seniors in our care.

Infection prevention and control measures that we had to put in place meant restricting tenants to their apartments, restricting them from gathering in common areas and avoiding going out into the community. Momiji has advised tenants' family to limit their visits to control and minimize the risk of inadvertent infection spread. And our tenants and families have been understanding and striven to comply with such measures.

The challenge of the pandemic has also brought local assisted living/supportive housing providers together. Momiji, CareFirst, TransCare, Yee Hong Centre and Seniors Persons Living Connected exchanged knowledge, shared information, acted in concert to access resources and strove for consistency in practice. Working with Scarborough Health Network we were able to bring mobile clinic teams to Momiji to offer COVID testing and vaccination against COVID-19 for our tenants.

With the prospect of most Torontonians and indeed Canadians getting both shots of the vaccine by the end of summer 2021, the light at the end of the tunnel, although faint, is within sight. I feel cautiously optimistic that these have been the Best of Times as we all grow together to eventually re-emerge stronger as a community.

TOM NISHIO

The Momiji Community was saddened to learn of Tom Nishio's passing. Tom played an integral role in the development of the Momiji Centre and was an avid supporter. Our condolences to his family.

He will be missed.

By Cassandra Watanabe, Marketing Assistant (Summer Student)

Tomi-Taro Nishio, commonly referred to as Tom, was born in Vancouver B.C. to Ippei and Hama Nishio on January 14, 1921 and passed away at the age of 100. He was the second eldest out of his five siblings. Tom's father was a successful business man who founded the Canadian division of the Mikasa tableware company, post WWII.

From 1941-42 Tom went to the University of British Columbia and became the captain of the UBC rugby team. But in 1943 his post-secondary school experience was cut short when his family was forced to relocate to a Japanese internment camp in Bridge River, B.C. Rather than giving up on his education, he applied to the University of Western Ontario and got accepted to their business administration program.

Before he could graduate at Western, Tom was recruited as a translator for the British Army and served in India. His eldest brother, Itushi, followed Japanese tradition by attending a University in Japan but unfortunately lost contact with his family when the war started. One day, Tom was notified that the Japanese Army had a translator with the same last name as him. After some investigation, he found out it was Itushi and was able to let the family in Canada know he was still alive.

After the war, Tom graduated and moved to Montreal where he married his wife Joyce and shortly after, had his first child Robynn. He then moved to Ottawa and worked at Morgan's (later to become Hudson's Bay) and had two sons, Greig and Ian. In the mid-1960's he moved back to Montreal to work with his father and brother, Kaz, at Mikasa. His final destination was Markham, Ontario, moving there so the family could expand the Mikasa business. Here, Tom was able to meet new friends and become a prominent figure in the Japanese Canadian community.

In the late 1970's, to commemorate the centennial of Japanese immigration to Canada, Tom and a group of concerned Nisei's came up with the idea of a senior's residence for Japanese Canadians, what we all know as Momiji today. Since there was no directory of Japanese Canadians in Ontario, he obtained phone books and volunteers called each person who had a last name that sounded Japanese using the Mikasa business office after hours. Tom

had a huge part in fundraising for Momiji, using his resources at Mikasa to help collect donations. Momiji's first major fundraising campaign to build the Seniors Centre had 3 phases. Phase 1 raised funds to purchase the property. Tom led the second and largest phase of the campaign that raised almost \$1.8 million to fund the construction of the residence. In Phase 3. he was a contributor to the funds raised for the original furniture and fixings for the apartments. In 1992, Tom and the other founders opened the Momiji Senior's Centre. After the opening, Tom was a Board member and continued to be a generous donor over the years.

After selling Mikasa with his brother in 1995, Tom could finally enjoy retirement. He continued being an active member of the Japanese Canadian community, creating the Nisei Veterans Award at the Japanese Canadian Cultural Centre. He was also able to enjoy his passions, as a patron of the Canadian Opera Company, and spending more time with family.

Many thanks to Tom's daughter Robynn and his friend of 30 years, Ann Ashley, who shared many interesting and touching stories about Tom and his past. They both spoke about his reserved but compassionate nature and how he was admired by all those who met him. Tom contributed so much to the beginnings of Momiji and we are so grateful to him.

Government funding does not cover all operating costs so Momiji continues to rely on the generosity of donors and the community for help. Donations received from memorial and general gifts and the annual Christmas Campaign, as well as funds raised at events like the Bazaar and Bowlathon are critical to sustaining programs and services.

MOMIJI'S TORIICHI BENTO FUNDRAISER - A WIN-WIN-WIN

Thanks to our volunteer, Dawna Kobayashi and her contacts, a new Third Party fundraising event was created earlier this year and will continue to be held at least until the Fall. This fundraiser began as a pilot project but due to its overwhelming success, has increased to two sales per month. Bentos are purchased by Momiji from Toriichi Catering and are sold to our tenants for \$13.00 and to non-tenants for \$15.00. This fundraiser is a win-win-win because you get a delicious bento, you help sup-

port a local, small business and Momiji raises some much needed funds! To date, an incredible \$10,000 has been raised from Bento sales and some very generous donations. For more information contact fundraising@momiji.on.ca, follow us on Facebook or visit our website for updates.

A third party fundraising event can be as big as this Toriichi Bento Fundraising or can be much smaller – like selling plants to friends and

family and donating the funds to Momiji. If you are looking to involve the community and donate the funds to Momiji,

please contact fundaising@momiji.on.ca and perhaps we can help promote your event!

IN THE MIDST OF THE PANDEMIC: MOMIJI VOLUNTEERS IN ACTION!

By Jovel Patricio, Manager, Volunteers & Learning

As we are all being challenged by the Pandemic, we are also full of optimism that is inspired by the commitment of volunteers to support us in different ways such as:

FRIENDLY VISITS – TELEPHONE ASSURANCE

Finding ways to socialize and meet new people was one of the many challenges that came along with the pandemic. When the pandemic began, Momiji asked people to connect with seniors over the phone to provide companionship and build new friendships. Many volunteers were happy to get involved and to this day, we continue to welcome volunteers who would like to participate in friendly visiting over the telephone.

SHOPPING ASSISTANCE

Throughout the COVID-19 crisis, we have learned to appreciate now, more than ever, the importance of community and the efforts of our volunteers. Volunteers are an essential part of Momiji and we were overwhelmed by the enormous support we have received throughout this past year. Kristin Kobayashi-Reid and her

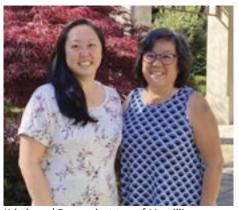

mother Dawna Kobayashi are two wonderful volunteers who have gone above and beyond assisting with many of Momiji's needs such as grocery shopping. We are thankful for Kristin and Dawna's generosity and hard work.

INTERGENERATIONAL VIRTUAL FRIENDLY VISITING AND CULTURAL EXCHANGE

A new innovative intergenerational Virtual Friendly Visiting partnership was created with the students studying Japanese at the University of Western Ontario and Huron University College. This program was very popular and was beneficial for the seniors and the students alike, and helped many of our tenants become more comfortable communicating through electronic media.

MOMIJI'S ONTARIO VOLUNTEER SERVICE AWARD RECIPIENTS

Due to COVID-19, instead of the usual in person event, the Ministry of Heritage, Sport, Tourism and Culture Industries held a virtual volunteer awards ceremony on February 25th to honour the contribution of volunteers. Six Momiji volunteers

Our heartfelt thanks to all of our Momiji volunteers for their hard work and contributions. Thank for your amazing generosity and dedication. We look forward to welcoming our volunteers back into our building in the near future.

Donor News

ALETA DENNIS – A GRATEFUL MONTHLY DONOR

By Cassandra Watanabe, Marketing Assistant (Summer Student)

Aleta Dennis is one of Momiji's many monthly donors. She recently shared the special connection she has with Momiji and how it inspires her to give.

It all started when Aleta's mother. Fedora Dennis, became interested in the belly dancing classes being offered at Momiji. Even though Fedora was not Japanese, she fell in love with the beautiful and peaceful environment Momiji offered and while she had no intention of leaving her home, she put her name on the waiting list. Many years passed and the day finally came for Fedora to move into Momiji. Aleta was immediately impressed with the level of detail and care that went into transitioning her mother into Momiji. She notes that the staff, specifically Keiko, Yuka, Yuki, and all the PSWs, were more than helpful. When her Mom's health deteriorated, Aleta was allowed to move in with her Mom so that

they could be together during Fedora's remaining time at Momiji. This is where Aleta truly appreciated the kind atmosphere at Momiji and all the care and assistance her mother received.

Aleta has been a Momiji volunteer for 7 years, and is a Volunteer Coordinator of a large annual art festival held near her home. This is why she knows the importance of volunteers and continues to dedicate her time and energy into supporting Momiji. Aleta also supports Momiji in other ways, by attending art classes and other online programming provided by SALC. An artist herself, she has generously donated gifts to our Silent Auction in the past.

Aleta's contributions to the Momiji community are very generous. She expresses her love for Momiji by saying, "No amount of money or time can ever repay the love and care my mother and

myself have received from Momiji." We are grateful for all that Aleta has given and we're happy to have her as a part of the Momiji family.

We appreciate the kindness of the many people who brighten our everyday lives. Thank you Momiji and Selectacare for your kindness and attention and residents of Momiji for your friendship. Also, the thoughtfulness of friends near and far is remembered with affection.

Seniors Active Living Centre

STILL VERY ACTIVE DESPITE THE PANDEMIC

Seniors Day treats bring happiness to our tenants!

Our Seniors Active Living Centre (SALC) team has worked very hard being innovative, creating new opportunities or "tweaking" favourite activities in order to keep the seniors active and engaged, despite the various shutdowns and lockdowns. While SALC has created a whole host of online opportunities - 10 different options in June alone ranging from Seated Exercise, Music History with Sina and Art & Tea – they also created opportunities for tenants who do not have access to the internet. One of the more popular new activities is the one-to-one walk and exercises. A staff member and a tenant will go for a short walk or exercise – often outside weather permitting – and engage in conversation. Other SALC in person activities include:

ICE CREAM SOCIAL

By Cassandra Watanabe, Marketing Assistant (Summer Student) The Ice Cream Social occurs twice a month and allows the seniors to enjoy a tasty treat and socialize, all in the safety of their own home. Yuki Beasley, our SALC Coordinator, and her helpers go door-to-door, floor-to-floor, delivering the ice cream. Tenants only pay one dollar per cone, with all proceeds going back into Momiji.

Sophie Nagano, one of Momiji's summer students, helped deliver ice cream and said, "I had such a fun time helping out with the ice cream social! It was so nice being able to see so many tenants and socialize with them. I have been learning Japanese, and talking to some of the fluent tenants has helped me so much."

MOMIJI'S SENIORS DAY AND SPRING FESTIVAL

SALC is famous for hosting wonderful cultural events like Seniors Day and the Spring Festival filled with good food, entertainment and lots of socializing. Unfortunately due to the Pandemic, group events had to be suspended, however, knowing the importance of these events, SALC took the "show on the road" – in this case to each tenant apartment. For Seniors Day, each tenant received a homemade card, a "Dorayaki" sweet and a festive Bento. And for the Spring Festival, tenants received a potted plant and sweet treats. Thank you to our donors, Mika Lough, Mayumi Maemura and Joyce Shimoda Moore for helping to cover the costs of these events that bring so much joy to our seniors.

There is no denying that COVID has impacted our usual fundraising activities this past year. Since the start of the pandemic, we have had to cancel two Bazaars, two Bowlathons, two Yard Sales and two Japonica events. As you can imagine, these events bring in significant, much needed revenue to Momiji. However, our volunteers were determined to be creative and we were able to hold a few smaller scale events, primarily for our tenants and their families, which raised some much needed funds. Two of these sales were made possible thanks to our volunteers preparing for the 2020 Bazaar well in advance.

Preparing for a massive event like our Bazaar requires months and months of preparation and many hundreds of volunteer hours. Many "Bees" are held in advance of help prepare food items like Manju and pie filling and pastry dough. Since we were not able to sell these items at the Bazaar, a "PUCKS AND FILLING" Sale was held in September, followed by a MANJU Sale in December. In between these two events, a CLOTHING & BOOK Sale was held for the tenants and staff only. Participants made appointments to shop and were kept socially distanced while they were browsing and ultimately, making their purchases. Just over \$2,000 was raised from these three third party fundraising events.

Thanks to the generosity of our donors, this year's **CHRISTMAS CAMPAIGN**, which highlighted our need to purchase 6,000 N95 masks, raised an incredible \$70,000. This is by far our most successful Christmas Campaign ever and is so appreciated, especially at a time when we know so many people have been affected financially by COVID.

DONOR LIST

Momiji gratefully acknowledges all donations received from August 16, 2020 to April 30, 2021. Due to space limitations, only donations of \$20 or more are listed.

新型コロナウイルス感染 最悪と最善の時期

エリック・ホン、所長

パンデミック

新型コロナウイルスがカナダで初めて確認されたのは2020年1月22日。感染者は海外からの帰国者でした。世界保健機構は1月30日に新型コロナ感染を「国際的に懸念される公衆衛生上の緊急事態」とし、3月11日には世界的流行を意味する「パンデミック」と宣言しました。

同年3月半ば、カナダ政府は国境を閉鎖しカナダ人以外の入国を基本的に禁止。また、オンタリオ州政府は感染拡大を制御するために緊急事態宣言を発令。規制の増加と共に社会・経済活動が大きく制限されました。2021年5月現在、私達はパンデミックの脅威と共に14ヶ月も暮らしています。

最悪の時期

変異型コロナウイルスは感染力が強く重症化しやすい上に治療法も確立しておらず、高齢者や基礎疾患のある人の死亡率が高くなっています。

政府と公共衛生局による感染予防・制御の厳しい措置や発令で、保護服・マスクの着用や、公衆で人との距離を保つなどの様々な規制が私達の日常になりました。

この「新しい日常」で人々は孤立化し、活動の機会を失いました。その影響は精神的な苦痛や身体機能の低下に及んでいます。活動的な高齢者が座りがちな生活を送り、運動機能低下のリスクが生じ、健康への影響が懸念されています。

パンデミック以前は、居住者はモミジセンターで社交・レクリエーション・健康推進のプログラムを楽しみました。同様に、地域で暮らす日系シニアや近隣の住民もモミジで生涯学習プラムやシニア・アクティブ・リビングセンターのプログラムを楽しみまました。しかしパンデミックでは、感染予防・制御の規制に従いプログラムが手ミジセンター内だけに制限され、外部との交流が遮断されました。

感染の波と共に「ロックダウン」や「ステイホーム」の発令と解除が繰り返され、サービスの提供が幾度も中断され、居住者や利用者にとって素晴らしいはずの「老後の時間」が失われました。この時期はまさに最悪だったと思います。

最善の時期

一方で、明るい面はモミジがパンデミックの緊急事態に上手く対処できたことです。モミジ居住者を支援し保護するために私達は限られた資源の適切な活用に集中し、皆の理解と信頼を得て柔軟な適応で成功しました。

「午後のお茶会」や「雛祭り」などの大きな催し物をキャンセルし、グループのプラムを小規模にするめ「ありましたが、オンラインによる「のましたが、オンラインによる「のようで重した。 感染リスクを最小限にすいためにし、電話による安全確認には増やした。このような適応はシニアのような適応はシニアのような適に働くモミジチーム

だからこそできたのです。

感染予防・制御の措置で居住者は引きこもる生活を強いられ、共用場所での集まりや外出が禁じられました。感染拡大の可能性を避けるために居住者家族の訪問回数も減りましたが、理解と協力が得られました。

パンデミックでは、協力関係にある ケアファースト、トランスケア、イーホン老人ケアセンター、シニアパーソン・リビング・コネクティドといった地域のサポートハウジング提供組織が、知識や情報、資源のアクセスを共有し、一貫した実践に努力しました。また、スカーボロ・ヘルスネットワークの協力により、モミジに於いて移動医療チームによる新型コロナ検査やワクチン接種が可能になりました。

2021年の夏の終わりには、トロント市民だけでなくカナダ人のほとんどが2回のワクチン接種を終えると予測され、トンネルの先の光がかすかに見えるようになりました。今はコミュニティ再興への道に続く「最善の時期」だと私は注意深く楽観視しています。

パンデミックで皆が困難に直面している中で、熱心なボランティアによる 支援が私達の心を明るくしています。

フレンドリー訪問 電話による支援

パンデミックでは人と接する機会が 少なくなりました。シニアの方々と電 話で繋がり新しい関係を築いてほしい というモミジの呼びかけに応えて、多 くのボランティアの皆さんが参加し今 日に至っています。参加希望者を常に 歓迎しています。

買い物の補助

コロナ禍で私達は、これまで以上に コミュニティの重要性とボランティア による支援の恩恵を感じています。ボ ランティアの皆さんはモミジに不可欠 な存在として、パンデミック中でも大きな役割を果たしています。その中でもクリスティン・コバヤシレイドさんと母親のドーナ・コバヤシさんは居住者の食料品の買い物をはじめモミジの援助に広く献身的に関わっています。お二人の支援に感謝します。

オンラインの世代を超えた フレンドリー訪問と文化交流

ウエスタンオンタリオ大学とヒューロン大学で日本語を学ぶ学生による「オンラインの世代を超えたフレンドリー訪問」が新たに企画されました。シニアの方々と学生に有意義で人気のあるプログラムを通して、オンラインの交流に親しみを感じる居住者が増えました。

生涯学習プログラム 新たなスタート

リー・ミクソン、

コミュニティサービス、マネージャー

モミジセンターの教育・娯楽プログラムは20年以上にわたり、ヨガ・陶芸・コンピュータ・日本語会話など様々なコース/ワークショップを広域に及ぶコミュニティの多くの人々に提供してきました。コロナ禍ではシニアレジデンス居住者の安全を守る必要があり、

残念ながら、プログラムは一年以上も 停止状態です。ワクチン接種が進んで いても、当センターでコミュニティの 人々を再び歓迎する日は未定のままで す。

長年にわたる生涯学習コースは全てが廃止になったわけではありません。パンデミックの規制解除後は、シニア・アクティブ・リビングセンターにおいて人気のある多くのコースを講師と共に何らかの形態で再開させたいと願っています。また、一部のコースをオンラインで再開する案が検討されています。

室内での集会が可能になる時期やパンデミック後の「新しい日常」について十分に予測できない状態ではありますが、私達は生涯学習コースに参加していた皆様にできる限り情報を提供します。これまでの支援に感謝すると共に、近い将来、皆様がモミジで参加する日を楽しみにしています。

モミジの庭園

やっと夏らしくなり、庭園には新たな設備が加わりました。

庭園は創造的な活力が生まれる魅力的な場所だと思います。その一角のアサガオの近くに開いた場所が少しあります。残念ながら土は植物を栽培するほどの深さがありません。この場所の活用に皆様からのアイデアをお待ちしています。

また、庭師の便宜のためにメンテナンスチームが庭園に用具収納小屋を建て、建物内の収納場所から用具を移しました。

エネルギーの効率性

2021年2月に開始したエネルギー効率性プロジェクトでは、共用場所、オフィス、廊下、階段、ガレージ、地下室、洗濯室など全館の電球をLEDに交換しました。従来の電球は電力消費量が大きく、LED交換後は62%の節約になる見積もりです。5月に交換が完了し、今後、その効果が期待されます。

今後のプロジェクト

建物の老朽化に伴い機械装置や配 管の交換、改修が必要になります。

エネルギー効率性プロジェクトが終了し、次は洗濯機・乾燥機の交換に取り組む予定です。洗濯・乾燥の料金は居住者の皆さんの意見をもとに定額料金制ではなく、これまでどおりコイン制に決まりました。

のプログラム

シニア・アクティブ・リビングセン ター (SALC) のチームは、ロックダ ウンの情況下でシニアの方々が繋がり を持ち活動的に過ごせるような新しい 機会や人気のアクティビティの工夫に 努力しています。その中には様々なオ ンラインのプログラムがあり、6月には 「腰掛け体操」「シーナの歌と音楽の歴 史」「美術館ツアー」など10のプログ ラムが実施されました。インターネッ ト接続のないシニアを対象とした企画 もあります。新たにできた人気の一つ が「一対一の歩行と運動」で、職員と 居住者が短い散歩や運動をして (天気 の良い日は外で) 会話を楽しみます。 その他のプログラムは以下のとおり。

アイスクリーム・ソーシャル カサンドラ・ワタナベ、マーケティン グ・アシスタント(夏期研修生)

月2回のアイスクリーム・ソーシャルでは SALCのコーディネーターのユキ・ビーズリー職員とアシスタントが各階の部屋を回ってアイスクリーム・

コーンを配り居住者に楽しんでもらっています。料金は1ドル。この収益は モミジの活動に使われます。

夏期研修生ソフィー・ナガノさんは「アイスクリーム・ソーシャルで居住者の皆さんと交流できて楽しかったです。日本語を話す居住者の方から日本語を学べて嬉しいです」と話しています。

サポートサービスからの お知らせ

シヴォンヌ・モデステ、 サポートサービス、コーディネーター

パンデミックはサポートサービス 提供の構造を大きく揺らぎました。

モミジ居住者とその家族の皆さんは、いつものPSWの顔が見られないことに気づかれたでしょう。それは、接触の機会を最小限にするためにサービスが減り、感染拡大の可能性を抑えるためにPSWが各階ごとに分かれて配置されているからです。

グループによるフィジオセラピーも 当面は停止となり、ウェルネスルーム には一度に3人しか入れません。人と の距離を保つためにケアの提供方法を 変える必要が生じています。今後も続 くかもしれませんが、私達は皆様の安 全のために最善を尽くします。

マスクに隠れた皆さんの笑顔が見られないのは残念ですが、明るい眼差しを見るだけでも厳しい時期を乗り越えて行けると信じています。

将来の贈り物が有意義な形で生かされると思えることで安らぎを感じられるでしょう。遺贈は計画性と税優遇のある寄付です。遺言書に財産の一部や残留分の寄付提示、あるいは特記ができます。

新規職員

モミジのパーソナル・サポート・ワーカー(PSW)に新たに二人が加わりました。ジャマイカ出身のドナさんは、モミジの居住者や職員の親切で敬意を払う態度を嬉しく感じ楽しく働いています。結婚して3人の子供のいるサンドラさんは、安全で働きやすい職場で職員の支えを受け感謝しているそうです。

また、クライアント・サービスのプログラム・ワーカーとして新たに加わったムナさんは、オープンドアのデスクで月曜・火曜日に食事・送迎プログラムを担当します。ムナさんは昨秋、夏季研修生でした。

皆様の寄付に感謝します

新型コロナウイルスはファンドレイジングの活動に大きな影響を及ぼしました。モミジの収益に欠かせないバザー、ボウラソン、ヤードセール、ジャポニカセールが、それぞれ2回キャンセルされました。幸いに熱心なボランティアの方々のアイデアで、主に居住とその家族を対象とした小規模な催し物が実現し、多少の資金が集まりました。そのうちの二つは2020年バザーの準備をするボランティアの方々によって実現しました。

バザーのような大規模な催し物は多くのボランティアによる何ヶ月も前からの準備が必要です。前もって作られたまんじゅうとパイの生地・詰め物がバザーのキャンセルにより保存されたまでしたが、9月にパイの生地・訪物販売され、12月にまんじゅうが販売され、12月にまんじゅる・職と本の販売もありました。人との距離を保つために予約によりました。これらの第三者による大きの収益は\$2,000以上によりました。

N95マスク6,000枚を目指したクリスマス募金運動で多くの方々から寄付があり、募金額は過去最高の\$70,000になりました。コロナ禍で経済的影響を受けている方々が多い中、沢山の寄付が集まり心より感謝しています。

Outreach

By Cassandra Watanabe, Marketing Assistant (Summer Student)

Momiji is more than just a building located at 3555 Kingston Road, it's a place that's committed to helping the local community, especially during these challenging times. Kiyoshi Dembo, Momiji's very own Community Programs Coordinator, and many volunteers have been working hard to create programs that keep the seniors in our community active and social. Kiyoshi and his Yee Hong volunteers run weekly sing-alongs via Zoom for seniors in the Yee Hong Japanese unit. The volunteers who run this program play live piano and ukulele and share fun YouTube videos as well with the support from Yee Hong activation workers. All those who attend these sessions can sing-along to the music from the comfort of their activation room with enough social distancing and is an easy way to have fun online.

Food has been a great way to connect with each other during this past year. Momiji has helped by subsidizing the cost of delicious meals for the seniors in our community. Foods like Ozoni and Osechi are kindly made by the Yee Hong Kitchen with regular, cut-up, and minced texture and the special green tea cake and ice cream are provided by the Nakamuraya bakery, a favourite of Chinese and Japanese residents. These special treats were made for special occasions like Valentine's Day, Chinese New Year's, and finishing two doses of the COVID-19 vaccination at Yee Hong Scarborough Finch!

Since community congregate dining wasn't feasible due to the pandemic, there has been food delivery programs in place, like the Japanese bento deliveries from the Ginko Japanese restaurant and the Zero Sun restaurant. Along with the bentos, there's also a Japanese grocery and delivery service from Heisei Mart. Community Congregate dining clients are able to order their favourite Japanese grocery

items and get them easily delivered to their door.

To help those who are having trouble connecting during this time, there are community Zoom chats that occur up to three times a month located in the Toronto West, East, and Oakville areas. The programs available are: cooking via You Tube videos for a Japanese New Year's tea ceremony by Shinobu Yajima, a Momiji volunteer; Japan Foundation's free movie programs; a list of You Tube Japanese favorite movies developed by Mr. Ryo Tamai, Momiji's IT volunteer; COVID-19 educational content and more.

We hope that these amazing events have helped those in our community feel closer to a new "normal" and are thankful to the staff and volunteers who help make our community a better place. Momiji is happy to be a part of such a great program.

Education Program

THE START OF SOMETHING NEW

By Lee Mixon, Community Services Manager

Momiji's Education and Leisure programs have been bringing members of the wider community into Momiji Centre for over twenty years to participate in a wide variety of courses and workshops, from yoga to pottery to computer classes to conversational Japanese, and much more. Unfortunately, due to the ongoing COVID-19 pandemic, these programs have been suspended for over a year now in order to keep vulnerable seniors in our Seniors' Residence safe. Also, despite the vaccine roll-out, we still have no idea when we will be allowed to invite members of the wider community back into our facility again.

As a result, as many of you will already know, the difficult decision was made to not maintain the Education Department in its existing format; and our Education Coordinator, Donna Sato, who has been the friendly smiling face of Momiji to so many Education course participants, came to the end of her tenure on March 31, 2021. Donna has been a much-valued member of our Momiji staff team for over ten years, working first at our community partner sites of Castleview-Wychwood Towers and Macassa Lodge before taking on the Education Coordinator role. Donna's many contributions to our organization and our community are greatly appreciated, and we know that you'll join us in wishing her all the best in her future endeavors. We'll miss vou. Donna!

This does not mean that all of our long-standing Education courses are permanently cancelled. Once pandemic restrictions are finally lifted at Momiji, we

certainly hope we can bring some of our many popular courses and instructors back in some form, perhaps as part of our Seniors' Active Living Centre. And we have already started discussing the relaunch of some Education courses as online virtual programs.

While we still don't know when we'll be able to hold indoor gatherings again, or what the post-pandemic "new normal" will look like, we will do our best to keep our community of former Education course participants informed. Thank you for your support of Momiji in the past, and we greatly look forward to seeing you back here sometime soon!

Support Services

By Shivonne Modeste, Coordinator, Support Services

The pandemic has shaken up the way we do things in Support Services!

If you live at or visit family at Momiji, you may have noticed that you do not see some of the familiar PSWs on your floor anymore but rest assured they are still a part of our Momiji team. To minimize close contact situations, we have reduced some of our services and have divided the PSWs by floor to limit any potential COVID-19 infection spread.

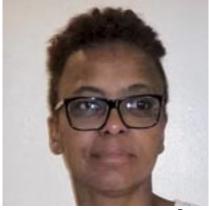

We have also temporarily stopped group physiotherapy so that no more than three people are in the Wellness Room at any given time. Being able to maintain a safe social distance has caused us to look at how we do things and going forward it may continue to impact how we provide care service, however, we will continue to do our best and keep everyone as safe as possible.

We miss seeing everyone's friendly faces, but keep smiling at us with your eyes and we will get through these tough times!

WELCOME

Momiji is pleased to have recently added two new Personal Support Workers to our team: Donna and Sandra. Donna is from the beautiful island of Jamaica and enjoys working at Momiji because she finds the staff and tenants to be friendly and respectful. Sandra is married and has three children and is grateful to be at Momiji because it is safe and comfortable and the staff are great and very supportive.

We were also fortunate to be able to add Muna to our team as our Program Worker – Client Services. Muna is looking after the meal and transportation programs and can be found at the Open Door desk on Monday and Tuesday. She may look familiar – she worked here last Fall as a Summer Student.

Caregiver Programs

TECHNICAL SUPPORT PROGRAM FOR MOMIJI'S CAREGIVERS

By Renée Asselin, Geriatric Social Worker (Summer Student)

Since the beginning of April, three Momiji tenants, Mrs. Hirano, Mrs. Osako and Mrs. Fukuma, have been developing digital literacy skills through the Caring for Aging Relatives Group (CARG) tablet program developed by the Alzheimer Society of Toronto (AST). This is a pro-active Tablet Literacy Program for caregivers of people living with a cognitive impairment, and are isolated without access to virtual supports during the COVID-19 pandemic. The AST provided tablets to the caregivers in order to facilitate participation in virtual programming towards their respite needs. The participants have been meeting weekly to learn how to use their tablets with the help of Ryo Tamai, a volunteer at Momiji who has been trained by the AST to facilitate these sessions. Ryo has been teaching the participants how to successfully access and safely use the internet, navigation apps, and their email, along with how to

download desired apps. Finally, the participants are learning how to navigate the AST, Toronto Dementia Network and Momiji Health Care Society's websites independently.

We spoke with Ryo, who expressed certain challenges he faced with the online, group teaching process within the senior population. Compared to the knowledge young people have about technology, he observed that older adults were missing this knowledge because they do not have the same opportunity to use these devices. Due to this lack of experience, many of the seniors are faced with the challenge of not only learning how to use the device, but of learning the specific technical vocabulary. Another challenge the participants faced initially was the timing of placing your finger on the screen, and the sensitivity of the touch. Given that Ryo could not observe the participants in-person, this issue became more significant. However, he overcame this challenge by finding touchscreen pens and tablet stands for the participants to use with their device. This is one way Ryo strives to create an optimal online educational experience that is comprehensive and reflective of the groups learning goals and needs.

The participants of the program also feel the struggle of learning online, yet all share the excitement of learning something new. Mrs. Fukuma discovered that she can access the internet using the tablet, allowing her to find the answers to any questions she has, promoting her curiosity and life-long learning. Mrs. Hirano expressed that she has struggled with the learning process, but enjoys learning how to use functions, like the camera, to take photos of her family. On the other hand, while Mrs. Osako admitted her progress feels slow, she takes the learning step-bystep and remains hopeful about what she will learn in the future. The sessions will continue on a weekly basis until the end of June.

WHAT IS A PRIMER?

Since Momiji has never applied for accreditation before, the organization is participating in an introductory accreditation program, called Primer Accreditation. In order to prepare for this designation, Accreditation Canada has provided Momiji with a Primer that contains standards which outline the requirements the organization needs to meet in order to be successful. The Primer is the same as full accreditation except Momiji is assessed against a reduced core set of standards. The Primer focuses on the building blocks of quality and safety that are part of Qmentum, which is the full Accreditation and will be our next step after obtaining our Primer Accreditation.

The Primer standards are divided into nine sections (one section does not pertain to Momiji) and Momiji has split the responsibility for meeting these standards between our various Committees:

Each Standard has specific criteria

STANDARD	COMMITTEE
Leadership	Management (MC)
Client Safety	Programs & Services (PSC)
Integrated Quality Improvement	Quality & Accreditation (QAC)
Safe and Healthy Work-life	Finance & Human Resources (FHRC)
Information Management	MC
Physical Environment & Equipment	MC & Joint Health and Safety (JHSC)
Infection Prevention & Control	PSC and JHSC
Medication Management	PSC
Safe & Appropriate Service Delivery	PSC and FHRC

that has to be met. The criteria contains measurable elements that the surveyors use to assess during the onsite visit. In addition to these Standards, there is also service-specific content that organizations need to meet. In Momiji's case, the content relates to Home Support Services and is the responsibility of the Programs & Services Committee.

As we draw closer to our November Survey, staff are working hard on meeting all of the Criteria that is outlined in each Standard. The QAC will be hosting the first of two Town Halls for our staff in the near future, giving them a feel for what will be happening during the on-site Survey. The tenants will be involved in the process closer to the actual Surveyor visit.

Around The Building

By Carolina Yamashita, Manager, Seniors Residence

OUR GARDEN

It is finally looking like summer! And we have some new additions to the garden as you will read about in the All Things Momiji section.

For me, the garden is a magical place where we can let our creative energy take form. There is an empty little piece of land near the "Asagao". Unfortunately, it is not deep enough to grow any plants, but we welcome ideas and suggestions to help bring life to that little space!

Also, our Maintenance Team built a new shed in the garden. This is where the garden tools will be kept so gardeners will no longer need to go inside the building to get what they need.

ENERGY EFFICIENCY PROJECT

The energy efficiency project, which started in February 2021, consisted of replacing the light fixtures with LED in all

areas of the building, including the common areas, offices, hallways, stairways, garage, basement, laundry rooms and

more! The previous lighting caused us to spend an enormous amount of money on electricity. The change to LED is estimated to result in an energy saving of 62%. Since the installation was completed in May, we are looking forward to seeing the savings.

BUILDING AND UPCOMING PROJECTS

In general, as the building is aging, replacements and/or renovations have taken place to the mechanical systems and piping.

And now that the energy efficiency project is complete, we will be working on replacing the washing machines and dryers. We thank all the tenants for submitting their feedback and comments about whether a flat rate should be charged for laundry or if we should keep the coin system. Based on the results, we will keep the coin system in place.

GUIDING US INTO THE FUTURE – MOMIJI'S BOARD OF DIRECTORS

Brian Kai

Momiji's Board of Directors leads the organization according to our vision, mission and values. The Board ensures that Momiji continually reflects and responds to the needs of the community and reaches its goals as an organization. Our nine member Board is made up of individuals from many different professions. They may have different reasons for being on the Board but one thing remains

the same – they are passionate about Momiji.

At our last Annual General Meeting, we said good-bye to a long-time Board Member and we welcomed a new addition

Mavumi Maemura was a Board member for 12 years. In addition to her role on the Board, Mayumi who has a true passion for "all things Japanese" created our Japonica event which has raised almost \$60,000 since its inception in 2017. In addition to Chairing this event, she is also the Co-Chair of Momiji's Community Bazaar, having served in this role for a number of years. Although she has retired from the Board, we are fortunate that she will remain as a volunteer and is currently working with a small, dedicated team of volunteers to catalogue all of our Japanese donations. Her goal is to have an online store where items can be sold and much needed funds raised for our organization. Her work ethic and passion are second to none.

Brian Kai joins the Board and is a former network engineer at Manulife Financial, overseeing new technical installations as well as monitoring and trouble-shooting the active computer systems. Prior to that, he was a secondary school mathematics teacher at Etobicoke Collegiate. After 43.5 years in the work force, he retired at the end of 2019. Brian serves on the council of Bayview United Church as the chair of the communications team that has developed a widely attended format of a virtual worship service using Zoom. Brian and his wife Dee Dee Yatabe Piercey, live happily in North York. His mother, Sue Kai, is a resident of Yee Hong Centre for Geriatric Care (Scarborough Finch) and Brian has witnessed the strong bond of cooperation between Yee Hong and the Momiji community in both events and personnel. He has played trombone in the Advocats Big Band for nearly three decades and was in the band when it had its debut performance at one of the inaugural fund raising events for Momiji in 1991. Brian hopes to be able to contribute to the important work of the Momiji staff and volunteers.

MOMIJI'S GARDEN

By Cassandra Watanabe, Marketing Assistant (Summer Student)

One day Louise Nagano, a Momiji tenant who is fondly known as the "Rose Surgeon," noticed some empty spots in the south side of Momiji's garden and decided to take it upon herself to fill them. Ken Koyama, a frequent volunteer at Momiji, coordinated with Louise and graciously donated a dozen hosta plants. Ken then visited Momiji and he and Louise began planting. Once the other tenants found out about the hostas, many of them came down to the garden to help. The hostas are a beautiful addition, bringing even more life to our already blooming garden.

Special thanks to Ken Koyama for the generous donation of plants and to Louise Nagano for spearheading this project.

THE 2021 MOMIJI SENIORS RESIDENCE CLIENT SATISFACTION SURVEY – AN ACKNOWLEDGEMENT

By Eric Hong, Executive Director

Since the onset of the COVID-19 Pandemic, Momiji has had to comply with evolving government and public health directives and limit ourselves to delivering only essential services and to impose many infection prevention and control restrictions. Our priority has been to keep everyone safe and minimize the risk of COVID spreading into Momiji and among its residents, many of whom are frail. Consequently, many Seniors Residence tenants have become isolated and have had few opportunities available to engage in activities important to their physical, social and emotional well-being.

To understand how our Seniors Resi-

dence tenants have experienced our response to the pandemic, we recently conducted a Client Satisfaction Survey. Many appreciated what Momiji has done and the fortunate outcome that Momiji has remained a safe haven through the multiple waves of the COVID pandemic spreading in the community. Some shared with us their struggle with the many restrictions placed on their lives. Still, others have helpfully let us know of improvements we need to continue to aim for.

We are reminded of the importance of access to information in the Japanese language and the need for support to access

virtual and on-line services. With more single-occupants than couples among our tenants, organized social activities are needed. While the quality of support services available is appreciated, there has been changes in the nature of services tenants are seeking as their needs have changed. Feedback on the meal program signaled a desire for more vegetables, more variety and other changes. Seniors Active Living Centre programs also received encouraging ratings in spite of its curtailment necessitated by the pandemic. A request to refresh tenants' awareness of the range of services available at Momiji has been noted.

I would like to thank all the tenants who have responded to the survey and generously shared with us their perspectives. Please rest assured that your responses are taken seriously and that we will continue to address them.

GOODBYE AND GOOD LUCK

In addition to Donna, our Education Coordinator, Momiji has bid a fond farewell to several staff members:

 Radhika was our Support Services Coordinator – Operations and looked after foot care, physio programs and created the shift schedule for the PSWs.

- Cameron was one of our hard working Maintenance Workers, who began his employment at Momiji as a Summer Student.
- Melanie has returned to help Momiji many times over the past few years. During her latest stint, she reported to Keiko Hoshi, our Coordinator Client Intervention and helped assess our English-speaking tenants with inperson appointments during the pandemic. Melanie's work ethic and agreeing to help Momiji out on short notice was greatly appreciated.
- Jennifer was a Program Assistant for the Seniors Active Living Center (SALC) and through her proactive participation, SALC was able to promote its services through various platforms. She was especially instrumental in helping to develop new initiatives during the pandemic.

Thank you for all of your hard work and we wish you the very best of luck in your future endeavours

MEET OUR SUMMER STUDENTS!

By Cassandra Watanabe, Marketing Assistant (Summer Student)

Momiji was extremely fortune to receive funding again this year from the Canada Summer Jobs Grant, allowing us to hire six enthusiastic, hard-working and passionate youth. They were each asked what they liked most about working for Momiji.

Shakana

Shakana worked for Volunteer Services and researched ways to improve and modernize the volunteer program. She did this by creating surveys and communicating with the volunteers. "My favourite part about working at Momiji was being able to learn more about the industry and meeting the staff and residents. Everyone was extremely kind and helpful" she said.

Renée

The Geriatric Social Worker, **Renée**, updated Momiji application files, developed Zoom workshops, and supported the Momiji tenants and community members by facilitating access to appropriate services and resources. Sophie

The Support Services Assistant, **Sophie**, helped the tenants with any problems they faced on a daily basis. She also updated the client files and frequently met with tenants for friendly visits and walks. "My favourite part about working at Momiji is meeting so many amazing tenants and being able to listen to their stories. I absolutely love all of the wonderful staff who I get to interact with daily," Sophie answered.

Jayson, our Activity Leader for Seniors, worked in the Senior Active Liv-

ing Centre. His job was to assist with the many daily activities that were planned for the tenants. This included Zoom classes and serving coffee and ice cream. "My favourite part about working at Momiji was the joy I was able to bring to the seniors through activities and daily conversations with them" Jayson said.

Cassandra

Our Marketing Assistant, Cassandra, worked in the Economic Development & Donor Relations department and did a variety of tasks like designing posters and Facebook posts, researching various projects, and brainstorming new marketing strategies. As you can see, she also wrote many of the articles in this edition! Cassandra said, "My favourite part about working at Momiji is the people! Whether it's the tenants or the employees, there's never a dull moment when it comes to Momiji."

~

Momiji wishes all the summer students the very best of luck in their future endeavours and thanks them for all the wonderful work they've done this summer.
