Summer 2022

Odori by Caitlin Kaneko

By Eric Hong, **Executive Director**

The COVID-19 pandemic is not over yet. However, it has reached a point of manageability so that steps can be taken to return to a near-normal footing. Almost all social and economic activities have reopened in the broader community. Government mandated lockdown restrictions and occupancy capacity limits in most public places have been lifted. Nevertheless, people are still being advised to maintain social distancing and stay voluntarily masked when in crowded indoor spaces e.g. on public transit, large scale sports and cultural events. Public health advice

is shifting towards urging people to maintain voluntary infection prevention and control practices and to learn to live with the COVID-19 virus as an endemic much like we do with the flu and other infectious diseases. As such, COVID is not expected to be eradicated but kept under control through vaccinations and post-infection-treatments that are becoming available.

Momiji has been treading a fine line maintaining some protective restrictions while bringing back select social activities. Public health classifies Momiji as a "high-risk" setting in which many older adults, some of whom are frail in health, reside and spend much of their time on a daily basis. As such we have continued to screen for COVID infection in our daily check-in with Momiji Seniors Residence (MSR) tenants and among staff, placement students and volunteers before they come on site; and we continue to require everyone onsite to remain masked when not alone at their work stations or in their respective apartments.

Momiji Café has reopened as has Zero Sun Restaurant as well as the weekly Western Lunch in the auditorium enabling informal socialization among tenants. Selected larger events involving the gathering of more people have also resumed including the Children's Festival cont'd on page 2

and the Blowout Yard Sale Extravaganza. Instead of having been a quiet and empty space that was the norm during the various waves of the pandemic over the past 2+ years, the Craft Room, Day Lounge, Solarium, Auditorium and Garden have

returned to being the vibrant social places that are full of life, hosting a cheerful and engaged Momiji community of tenants, staff and volunteers.

More and more in-person Seniors Active Living Centre (SALC) programs are

making a comeback to join the various adaptive virtual programs that have been launched during the pandemic. *SALC* offerings currently include the following:

We have also begun to invite and welcome back community residents from the local neighbourhood to rejoin some of these activities.

It is good to see the "New Normal" taking hold as Momiji becomes once again the socially vibrant place that it had been prior to the pandemic. Anyone interested in participating in any of these pro-

grams are encouraged to contact *SALC* staff at salc@momiji.on.ca or by calling 416.261.6683, ext. 248.

Next to come will be the resumption of select education programs that had been suspended as of the Summer of 2021. When more definite plans have been finalized, they will be announced.

As The World Turns: The Executive Director's Musings

SAFETY BEYOND COVID

By Eric Hong, Executive Director

For more than two years now, Momiji, like everybody else, has been "preoccupied" with keeping the seniors in our care as well as staff, students and volunteers safe from the COVID-19 virus. Masking, social distancing, sanitizing things, vaccinating, self-isolating for infection prevention and control as well as eating more take-outs and dining-in less at restaurants have become the "New Normal" in living.

One could be tempted to think that the

world is otherwise safe if not for the pandemic. That is in fact not true! There is a Quality & Accreditation Committee (QAC) at Momiji. It is responsible for (1) pursuing continuous quality improvement (CQI) in all aspects of our endeavors; (2) preparing for our accreditation in accordance to national standards of excellence; and (3) managing all manners of risk to all who work, live, learn and engage in leisure pursuits here.

The QAC, comprised of representatives from all departments and chaired by the Executive Director, meets monthly to review incidents of concern and apply lessons learnt to minimize the risk of each recurring. Risk incidents, addressed in recent months, have included the internet and telephone system crashing, cutting off both Momiji operations and disrupting our tenants' connectivity with their families and friends: vehicles operating unsafely on Momiji premises endangering pedestrians and other vehicles: the fishpond becoming a safety hazard for individuals; and a visitor's inability to reach a tenant in distress at home.

Some of our remedies are readily observable like the installation of speed bumps and warning signage to encourage slowing down traffic on site. Others, like revisions to policies and procedures for addressing safety concerns stemming from tenants losing phone services or when they do not respond to expected visitors, take place in the background and are less visible. Still others require detailed consideration and take a longer time to implement. And of course, our infection prevention and control practices continue to be modified as the community-spread risk of the COVID-19 pandemic eases or intensifies.

Keeping everyone who lives or works here safe is a strategic priority for Momiji. It is also a required attribute of organizations subscribing to the Accreditation Canada standards of excellence. We will not tire of risk management efforts and we welcome the input of both clients and staff of Momiji to inform us of safety risks and ideas for improvement.

Accreditation

ACCREDITATION PRIMER AWARD ACHIEVED

After two busy years of meetings, writing, editing, reviewing and approving policies for the 10 Accreditation Primer Standards and a two-day on-site survey, Momiji was successfully granted an Accreditation Primer Award.

By completing the Primer successfully, we have been recognized for our commitment to excellence in all that we do in the 10 Primer Standards, namely:

- Planning & Service Design
- Human Capital
- Integrated Quality Management
- Principle Based Care & Decision Making
- Emergency Preparedness

- Infection Prevention & Control
- Medication Management
- Episode of Care (Home Support Services)
- Medical Devices and Equipment
- Physical Environment

Being Accredited with the Primer Award is just the first step on our journey as we strive to be fully accredited under the comprehensive set of Qmentum standards. Qmentum is a more in-depth survey and includes additional Standards such as Governance, Leadership and Service Delivery. Our full Qmentum survey must take place in two-years since we received our Accreditation Primer and has been tentatively scheduled for November 2023.

Although being Accredited is not mandatory for our sector, many of our peer organizations have been fully Accredited. In the next issue of Momiji Matters, we will provide you with an update on our progress.

CONGRATULATIONS JOAN!

John McKay, MP of Scarborough-Guildwood, recently honoured Joan McIlroy, a long-time Momiji tenant. John McKay's Annual Volunteer Appreciation Award honours the service of an individual who has gone the extra mile, takes initiative, and serves as a positive role model within the Scarborough-Guildwood community.

Joan McIlroy

The Appreciation Award event was held virtually in June.

Joan has been involved with many volunteer activities at Momiji including helping with programs, special events and fundraisers and volunteering weekly as a receptionist. When the pandemic started, she offered to help with mask distribution, delivered calendars and flyers and continuously offered her help to the community. Joan is not only a Momiji volunteer, but for many years has volunteered with other organizations, all while helping to connect the community to resources.

Thank you for inspiring us Joan and for being such a positive role model for us and within the Scarborough-Guildwood community.

CORPORATE VOLUNTEERING: STARBUCKS EMPLOYEES – DISTRICT 231 IN ACTION!

In May, Momiji was fortunate to have a team of Starbuck employees from Toronto District 231 come and help cleanup our Garden and Solarium. Their hard work certainly made both of these areas look much more beautiful and enjoyable for our tenants. We cannot thank them enough for volunteering their time and for undertaking this task. Thanks to: Rachel Kataoka, Dulka Urachimeg, Gadir Hamed, Sadaf Anam, Rhonda Moon, Pearson Alcantara, Jon Godfrey, Harjit Singh Dua, Juzette Alviles, Hannah Wilkinson and Ryan Lewis.

Thank you also to Momiji volunteers, Toshie Hayashi, Mitsui Nishio and Rieko Osako for your help and for providing guidance to our friends from Starbucks.

We are always happy to welcome corporate volunteers and truly appreciate the support. For more information on volunteering (either individually or as part of a corporate group), please contact Jovel at 416.261.6683, ext. 234 or by email at volunteering@momiji.on.ca.

Fundraising Events

Government funding does not cover all operating costs so Momiji continues to rely on the generosity of donors and the community for help. Donations received from memorial and general gifts and the annual Christmas Campaign, as well as funds raised at events like the Bazaar and Bowlathon are critical to sustaining programs and services.

In early 2020, due to the COVID-19 global pandemic restrictions, Momiji's Fundraising Committee made the difficult decision to cancel all large-scale events. It was hoped that the events would be able to return in 2021 but sadly, as we all know, COVID was still very much a part of our lives last year – and continues to be this year. Cancelling these events meant a significant loss of funds – at least

\$100,000 per year – for our organization. We were fortunate to have some dedicated, quick thinking volunteers who knew that somehow, someway, we needed to at least try to recoup some of those funds. The first new initiative was our Toriichi Bento Fundraiser. This fundraiser continues on today and to date, has raised just over \$28,000. The fundraiser will continue until the end of August so if you like Bento, please support Momiji and Toriichi Catering, a small business that has also been affected by the pandemic.

In addition to the Toriichi Bento Fundraiser, a Clothing Sale for Tenants and Staff only, led by SALC but implemented by our fundraising volunteers, was held last Fall and raised \$1,000 for future SALC activities. This event was held under strict Infection Prevention and Control guidelines in order to keep everyone safe. While the money raised was certainly important and very much needed, the smile on our seniors' faces was priceless. Some were so excited to shop and experience a somewhat "normal" experience that they shopped several times.

The Holiday Season immediately followed this fundraiser and thanks to our volunteer bakers, we were able to hold a very successful Holiday Treats Campaign. Over 7,000 cookies were donated, resulting in over \$3,500 being raised. As well, thanks to the generosity of our donors, our Christmas Campaign raised over \$60,000, surpassing our goal therefore allowing the excess to help cover off the missing event revenue.

Our volunteers were not the only ones to step up and help raise money for Momiji. Two of our tenants – Rose Aihoshi and Addie Kobayashi held a very successful Red Bag Blitz Clothing Sale. This third party event raised almost \$500.

As 2021 ended, we realized that it would not be possible to host our annual Momiji Community Bazaar in 2022 but we knew that we had to do something to raise money. So, our volunteers created Something Oishii - our first large fundraising event in over two years. This curbside food pick-up initiative was the brainchild of Dawna Kobayashi and Chris and Kristen Kobayashi-Reid. Without their tireless efforts, as well as the efforts of all of the volunteers involved, this event would not have been possible. This trio, along with their friends and family members, raised over \$15,000 in this inaugural event. Delicious main courses - Miso Chicken, Curry Beef and Honey Garlic Tofu -- were on the menu as well traditional Community Bazaar favourites - Classic Chow Mein, Baked Goods, Japanese Sweets (which included Manju) and of course, Pies – Apple, Blueberry and Lemon Meringue. We are so appreciative of our offsite bakers, who allowed us to make 170 pies (large and small), compared to our usual 54 pies that we are usually able to make onsite for the

Bazaar. The event was a hit with most of the food items selling out. The Japonica volunteers also helped raised money by creating 100 Lucky Bags that were sold and provided a nice "surprise" for the buyers.

In June, under clear blue skies, over 450 shoppers were welcomed by our 60 "day of event" volunteers to our Blowout Yard Sale Extravaganza. There were bar-

gains galore and delicious food including a Coffee/Bake Table and a BBQ featuring Hamburgers, Peameal Bacon on a Bun, Fries and Lumpia (Filipino fried spring rolls filled with ground pork or mixed vegetables). An event like this takes months of preparation so thanks to our volunteers who helped with all of the sorting prior to the event. A special thank you for our Co-Chairs, Linda Oikawa and Dawna Kobayashi for their leadership and dedication in helping to raise funds for Momiji. Over \$7,500 was raised at this event – much needed funds that will benefit the seniors here at Momiji and in the community.

Photo by Cassidy Ishii

In addition to the Yard Sale, our Japonica volunteers held a beautifully decorated Ikebana Pop-up event, helping to raise even more money. Ikebana, which means "making flowers alive", is the Japanese art of flower arrangement. As well as traditional Ikebana items such as vases, pots and Kenzan Pin Frogs, artwork was also sold at this sale. Over \$2,500 was raised thanks to the leadership and hard work of Carole Aida and her team. Watch out for future Pop-Up sales and please join us on October 15th as we hold our next event – Japonica.

MOMIJI'S GARDEN REJUVENATION

In loving memory of Kiyo Ise, devoted husband, father and grandfather

"Kiyo and granddaughter Mika enjoying time together in his garden."

Photo courtesy of the Ise Family

Kiyo Ise was born on Salt Spring Island, BC in 1922 where as a boy he developed a great love for nature exploring and roaming the then sparsely populated island. This passion carried through to his

> home in Toronto as evidenced in the pride and pleasure he took in tending to his garden. Whether after weeding, pruning or planting, he often sat back in his garden chair to appraise his hard work and to relax watching the neighbourhood birds come to feed and bathe.

> His garden provided many delicious meals for his family. Each year's harvest was eagerly gobbled up whether it was his snow peas and bacon stir-fry, fresh cucumber and tomato salad or sweet strawberries on top of vanilla ice cream – all family favourites.

Kiyo, along with his wife Sylvia, have been part of the Momiji community since its inception and were delighted to receive an invitation to become residents in 2007. Over the many years and seasons, he enjoyed walking through Momiji's garden and often said it reminded him of home.

For these reasons, it was a fitting dedication for his daughters Deborah and Mieko and his granddaughter Mika to support the rejuvenation of the Momiji garden. Their legacy donation is in honour of the anniversary of their father's/grandfather's passing on August 3, 2020 and will allow Momiji to repair, replant and establish a new bird sanctuary complete with a commemorative bird bath and feeder.

"We are honoured to receive this very generous donation in honour of our former tenant, Kiyo Ise, which will be used to ensure that our garden continues to look beautiful for many years to come," said Carolina Yamashita, Manager, Seniors Residence.

Mieko said, "We are just one of the many families who were unable to pay their respects to their deceased loved ones during the pandemic; so, it gives me, my sister and my daughter tremendous peace of mind and satisfaction to celebrate our dad's/grandpa's life by supporting Momiji, the home he called his Shangri-La."

Thanks to the Ise family, the tenants will enjoy the garden for years to come. This shows how one family, coming together, can make a big difference.

PAT AND GRACE TAKAMATSU - A FAMILY AFFAIR

In 2020, Pat Takamatsu, the daughter of our long-time tenant Grace Takamatsu passed away. Sadly, Grace also passed away shortly after. Pat kindly left a very generous bequest in her Will to Momiji Health Care Society and Grace's remaining children made an equally generous "in honour of" donation to celebrate their mother. We are truly grateful for this generosity.

By Cassandra Watanabe, Former EDDR Summer Student

Grace Takamatsu was born on January 11th, 1926 in Tokyo, Japan at the very end of the Taisho period. She lived through four different eras of Japanese

Emperors, something that always amazed her. She was the eldest of five children, with two younger sisters and two younger brothers but she outlived them all. Grace also attended school in Japan, where her passion for reading and writing began. She won prizes, but also sometimes got in trouble for reading during class time.

Grace's life in Japan came with many hardships. Her mother passed away during childbirth when she was thirteen and she and her sisters were temporarily separated from her father and brothers during the war

After the war, Grace met Sadao Takamatsu, a Japanese Canadian who travelled to Japan after being interned in Slocan, B.C. Grace and Sadao got married in 1950 and had their first child, Kazuyo (Deborah). In 1955, Grace and her daugh-

ter packed their things and left on a boat to Montreal to reunite with Sadao, who had gone on ahead. On Grace's trip, her trunk of possessions from Japan went missing. Grace would sometimes look back at this memory with sadness and say, "I arrived in Canada with only hope in my pockets." Grace and her daughter arrived in Montreal and later moved to Toronto with Sadao, where Grace had her three sons and youngest daughter Hiroko Patricia.

Patricia (Pat) was born on February 23, 1962. Her family considered her a hard-working and modern woman. Pat had many interests, one of them being animals. Her family would call her the "dog whisperer" and everyone thought she would become a veterinarian, but she could not bear to see animals suffering or

having to put down an animal herself. Luckily, Pat had many interests and talents, one of them being business. She went to Ryerson Polytechnic Institute to study business and worked at IBM for most of her career. She also briefly worked with Bell for a few years before she retired at 50. Pat learned to be a yoga instructor after retirement and continued her lifetime passion for gardening with more energy.

Family dinners were important to the Takamatsu family. Birthdays and holidays were always filled with delicious food and deep bonding moments, like when Sadao taught his sons and son-in-law the fine art of barbecuing. Sharing good food with family and friends was deeply ingrained in the whole family.

When Grace turned 84, she moved into Momiji, and lived the last 10 years of her life there. At this time, her husband had already passed away at 60 and she wanted to experience a more social yet independent lifestyle. Grace loved living

Grace & Pat Photo courtesy of the Takamatsu Family

at Momiji. She mentioned how being there allowed her to have the best of both worlds, a chance to re-connect with her Japanese roots and a chance to socialize with those from her church congregation. Odori, assisting with the bazaar, and morning exercises were her favourite activities. Overall, Momiji really allowed Grace to find herself again.

Pat unfortunately passed away from cancer and Grace did her best to be strong. Grace could not smile publicly but she did show more emotion behind closed doors. She was supported by her remaining children and spent quality time with them before her passing. In April 2020, Grace died suddenly, but gracefully, just as she had lived.

A cherry blossom tree was planted in the Momiji garden and a plaque honouring Grace's happy times at Momiji and her gratitude to Canada was installed.

We thank the Takamatsu family for their generous donation and Debbie Stephenson for sharing memories of her mother and sister.

MITSUI & CO. (CANADA) LTD.

In the Fall, Momiji staff, including Eric Hong and Momiji's Board Co-Chair Ann Ashley, welcomed Mitsui & Co. (Canada) Ltd.'s new President, Tatsuji Hidaka and his Executive Assistant, Hiroko Yoshihashi to our building. Since 2010, this company has been a generous annual donor and to date, \$60,000 has been donated. We truly appreciate the support of companies like Mitsui & Co. (Canada) Ltd. whose contributions have made a real difference to the seniors, both here at Momiji and in the community.

新任です

チエ·タカノ·リーブス、クライアン ト·インターベンション·ワーカー

2021年10月末よりクライアント・インターベンション・ワーカーとしてモミジで働くことになった公認ソーシャルワーカーのチエ・タカノ・リーブスです。これまでジャパニーズ・ソーシャル・サービス(JSS)で働いていたのでお馴染みの顔かもしれません。

クライアント・インターベンション は、モミジ入居申請手続きをはじめ、申 請者、居住者、コミュニティで暮らすシ ニアとその介護者の方々を支援してい ます。電話による問い合わせでは、申 請に関する相談や、シニアとその介護 者の方々のための様々な情報や資源 について対応しています。また、オフ ィスには居住者の方々が毎日のように 訪れ、相談や笑顔の挨拶をしてくれま す。クライアント・インターベンショ ンの職員は通常、一人ですが、8月の半 ばまで夏期研究生 (スハ・ゼラ) と実 習生 (サワコ・スズキ・ベロウソヴァ) がいます。事例に取り組みながら二人 の素晴らしい能力や考え方に触れて多 くを学んでいます。

モミジは介護者支援の一環としてシニアとその介護者の方々に健康/教育プログラムを提供しています。これはCaring for Ageing Relatives Groupからの援助によるものです。コロナ前は施設見学をはじめ、対面による研修会や交流/健康のための集会がありましたが、現在はオンラインによるプログ

ラムがJSSと共同で第2·第4水曜日の 午後に提供されています。様々なトピ ックが日本語と英語で提供され参加者 の役に立っています。例えば法的な情 報 (遺言書と代理意思決定人)、 身体 と心の健康 (アルツハイマー101、眼 の病気、難聴)、シニアの安全 (詐欺、安 全なオンライン利用)、前向きに歳を 重ねる機会、健康、文化 (音楽コンサー ト、料理、オンラインツアー) など。7 月からはセルフケア、簡単な日本料理 (茶碗蒸し)、居宅介護、コミュニティ支 援サービス、代理意思決定人の役割な どのトピックが加わります。現在はオ ンラインによる提供ですが、居住者や コミュニティのシニアとその介護者の 方々は予約をすれば対面での参加がで きます。

入居申請、コミュニティの情報·資源、サービス/プログラムに関するお問い合わせはいつでも歓迎します。

前任のケイコ・ホシさんは素晴らしいソーシャルワーカーで、この11年間、モミジに大きく貢献しました。私のJSS時代にモミジと共同による利用者支援ではホシさんから学ぶ機会が多くありました。彼女の業績を上手く引き継げるように頑張りたいと思います。私のオフィスは2階のレストランの隣です。ぜひ、お立ち寄りください。

安全とリスク管理

エリック・ホン、所長

新型コロナウイルスから居住者・職員・研修生・ボランティアの安全を守る努力が2年以上も続いてきました。感染予防・管理対策としてのマスク着用、人との距離の確保、消毒、ワクチン接種、自己隔離。レストランでの食事が減少、テイクアウトの増加。そんな生活が新たな日常になりました。

私達はコロナの感染拡大さえなけれ

ば安心だと思いがちですが、実はそうではありません。モミジの「質と認定に関する委員会」(QAC) の責任は、(1) 組織の全ての面で継続的な質の向上を追求し、(2) 国の優秀基準に基づく認定を目指し、(3) モミジで働く・暮らす・学ぶ人々の全てのリスクを管理することです。

この委員会は所長を委員長として全 部署の代表で構成されています。委員 会では月例会議で、懸念事例を検討し、 教訓を生かしてリスクの最小限化に取

り組んでいます。最近のリスク事例と しては、インターネット・電話の通信網 の故障でモミジの運営が一時停止した ほか居住者とその家族・友人間の連絡 が中断したこと。モミジ敷地内で危険 な運転をする車が歩行者や他の車を危 険にさらしたこと。魚の池が人に安全 でないこと。訪問者が自室で困ってい る居住者に連絡できなかったことなど です。対策の中にはスピードバンプや 減速標識の設置といった目に見える措 置が施されます。しかし、居住者の電 話サービスが一時停止になったり、居 住者が予定時刻に訪問者に応答できな いといった安全の懸念は、方針や手順 が見直されていても目に見えにくいも のです。さらに、詳細の考慮が必要で 実施に時間のかかる問題もあります。 もちろん、コロナの予防・管理対策も コミュニティの感染リスクの減少・増 加に伴って変化し続けます。

居住者と職員の安全がモミジの戦略的優先事項であり、それがAccreditation Canada の認定に求められます。モミジはリスク管理に取り組み続けます。安全に関わるリスクや改善について居住者と職員からの意見を歓迎します。

ON LEARNING...

By Jovel Patricio, Manager, Volunteers & Learning

Momiji Health Care Society offered opportunities to apply learning, hone skills, and empower students in providing support to the older adult population.

MOMIJI IN PARTNERSHIP WITH SCHOOLS

CENTENNIAL COLLEGE MASSAGE THERAPY PROGRAM

Centennial College sent six students from the Massage Therapy Program during their 4th semester. The students were under the supervision of Sabine Von Boetticher, BaSc RMT Faculty. The students provided five massage therapy treatment sessions from March to April. Forty-one tenants received one treatment while seventeen received two treatments.

Momiji tenants were so happy and stated that they felt so much better with the treatment. They are looking forward to the next sessions with the next batch of students.

"I wanted to let you know that I received multiple emails from students who attended Momiji this semester. They shared that the experience helped them grow as student therapists. They found it both challenging and enjoyable. We definitely hope to return", said Sabine.

Thank you Sabine and her six students, Emma Zelasko, Aima Warriach, Eli DeVries, Lindsay Meyers, Tracy Wong, Teresa Awon.

GEORGE BROWN COLLEGE -SUHA ZEHRA, 2ND YEAR, SOCIAL SERVICE WORKER PROGRAM

Suha's placement at Momiji was from January to April during her last year with the Social Service Worker Program. While she was here, she worked closely with Chie Takano Reeves, Momiji's Client Intervention Worker and helped the Senior Active Living Centre (SALC) with some of their activities. While working with Chie, she helped clients by doing friendly visits, assisting with congregate dining, coordinating with internal and external services and facilitating client re-

quests. These opportunities allowed her to expand her knowledge of services and have a broader picture on what and how the organization delivers services to older adults. Suha said, "During my time at Momiji, I have learned a lot throughout my experience that I believe I can take to my future as an SSW. I learned to build service resources through many ways depending on what the client needs. Over time. I was able to find and contact multiple organizations at a faster rate and learn how to follow through with clients on the resources given. One of my most positive experiences was being able to see the tenants on a weekly basis and connect with them, having the opportunity to help them with anything they needed. It built a connection for the tenants and I and we were able to talk in depth the more I got to see them."

TORONTO METROPOLITAN **UNIVERSITY (FORMERLY** RYERSON UNIVERSITY) - EMMA SAVIC, 4TH YEAR, **SOCIAL WORK**

Emma worked with Support Services and her role as a Social Work practicum student involved various tasks including familiarizing herself with the staff at Momiji and who does what. Her practicum at Momiji was completed in March, after having joined us in November. Emma said, "I know about more resources to use once I leave Momiji such as 211, Health Care Service Corporation (HCSC), Toronto Central Local Health Integration Network (LHIN), Toronto Public Health and the training they provide, Bereavement Ontario, and more. I have been exposed to and experienced working in case management, client intervention work, building rapport with seniors, and understanding how Momiji operates as an organization. I have made an impact on the seniors through my friendly visiting, and by building relationships, I was able to offer support and connect them with resources available at Momiji. This has been positive and beneficial for the seniors, as the pandemic has created challenging circumstances and I was able to be another member of the staff team to support the seniors in the ways they needed."

ST. HENRY NEWMAN **CATHOLIC SCHOOL - HIGH** SCHOOL CO-OP STUDENTS

Momiji has been fortunate to host four High School Co-op Students since last Fall. Joshua Legaspi and Mark Galera worked at Momiji from October to January while Michaella Kakese and Ariana Garcia worked from February to June.

Joshua & the Sumidas

Joshua's goal is to work in health care and he felt that this placement was the first step towards learning about the health care field. "My interest in health care and my desire to help people contributed to (me) wanting to pursue a career as a registered practical nurse. Registered Practical Nurses provide basic medical and nursing care, administer medications, provide comfort to patients, teach and inform patients." Joshua said.

Mark with tenant

He worked closely with the Economic Development department and assisted with many Seniors Active Living Centre (SALC) events. One of his favourite jobs was delivering Christmas gifts to the Tenants. A gift for each tenant was provided by the Uchikata family and has been an on-going tradition for many years. Joshua rated his co-op experience at Momiji as five out of five stars!

Mark worked closely with the SALC Team, helping with activities and programs. He stated that his involvement at Momiji was one of the best opportunities of his life, as it was a very positive and educational experience. "As a co-op student, I joined this placement with a goal to gain a work experience as well as obtain new skills for future careers. I got to work with great people, I enjoyed the work I did every day, and I got to learn many new things," said Mark. He also spoke about being able to learn about the Japanese culture including traditions and some basic Japanese phrases. "I am en-

couraged to continue to learn the Japanese language in my spare time," he said.

Michaella would like to be a nurse so she chose Momiji in order to work for an organization that was involved in health care. While at Momiji, she assisted at SALC helping to plan activities for the tenants, including exercise, games, movies and the dance program. "I was able to learn how to communicate with other people in a different way, learned how to be more open and not reserved due to my shy nature, and discovered how to communicate with different age groups outside of my own" she said.

Ariana's interest is to work in mental health services in order to support individuals who need help. She is passionate about the wellness of individuals. Ariana reported, "I was happy to be able to have my high school co-op with Momiji through SALC and through the Communication and Development department as I had the opportunity to work with seniors, staff and volunteers." She really en-

joyed the friendly visits with the seniors.

Thank you to Joshua, Mark, Michaella and Ariana for your contribution to Momiji. We wish you the very best in your future careers and hope that you will come back and visit us (or even volunteer for us!

SENIORS ACTIVE LIVING CENTRE

CHILDREN'S DAY CELEBRATION By Jayson Kitagawa, SALC Summer Student

Our Children's Day celebration this year was one of the biggest events we have been able to host here at Momiji since the beginning of the pandemic, and it certainly did not disappoint! We had a great turnout and the seniors were able to participate in so many fun activities. The group lunch was amazing as people sat together and chatted while eating, and they even got to watch some fun episodes of "old enough!", a TV series that showcases young children in Japan performing tasks that we would think are too difficult for kids of such a young age. We were fortunate to have one of our fitness instructors come in and lead an exercise class. Afterwards, we held a lucky draw, where a number of people won some awesome prizes. Following that, we not only had a chance to do a lovely group singalong, but the children from the Ikebata Nursery School serenaded us. Lastly, we ended our event by announcing the birthdays for

the month of May, and by welcoming all of the newer tenants who have joined us since the pandemic started all the way back in April 2020. Overall, the event was an absolute blast to be part of, and I hope everyone who attended also enjoyed it!

KEEPING BUSY BUT SAFE DURING THE PANDEMIC By Caitlin Kaneko, Fundraising Assistant

During the pandemic, SALC introduced various initiatives to ensure that the residents were able to stay active and engaged within the Momiji community. The ice cream and coffee cart service that circulated to every floor is an example of one of these initiatives. Isabelle Yamamoto and Caitlin Kaneko spoke with a few residents to get their feedback on the cart service and they found that the response was overwhelmingly positive. Roy Fukuzawa highlighted how it was a lot more convenient having the cart come up to his room. Molly Morita and Satsuo Nakawatase mentioned how they also enjoyed spending time with staff when they came by with the cart. As a result, the cart service helped reduce feelings of isolation

(L to R) Jayson, Renée, Shakana

while prioritizing the safety of the residents. Susan Hidaka looked forward to ice cream days and made sure to mark them on her calendar. She said the cart ensured that those with mobility problems were included in events. Tomeo and Yumiko Yamamoto were both fond of the convenience of the cart as well. They also pointed out that even with this service, they still prefer to go downstairs to socialize but recognize the cart is a great option for those who cannot. During our interviews, we discovered that the most popular ice cream flavours were chocolate and black cherry. There is no doubt that the ice cream cart will remain popular during the hot summer months.

HELLO FROM CHIE, THE NEW CLIENT INTERVENTION WORKER

By Chie Takano Reeves

My name is Chie Takano Reeves, I am a registered social worker, and I have been working as the new Client Intervention Worker at Momiji since the end of October 2021. Some of you may know me from my previous work at Japanese Social Services (JSS).

As part of our caregiver support, we provide wellness/education programs for seniors and their caregivers, funded by CARG (Caring for Ageing Relatives Group). Pre-pandemic, there were external facility tours, in-person learning sessions or social/wellness gatherings. Although we are not yet "back to normal" we have been providing online education or wellness sessions since the beginning of pandemic, together with JSS, held mostly on the second and fourth Wednesday in the afternoon. The participants enjoy a variety of topics in Japanese and

English, from legal (e.g. Power of Attorney and Will), physical/mental health (e.g. Alzheimer 101, eye diseases, hearing loss), senior's safety (e.g. scams, online safety), to positive ageing, wellness and culture (e.g. music concerts, cooking, virtual tours). In July and beyond, sessions will include self-care, easy Japanese Cooking (cold/hot Chawan-Mushi - a savory egg custard), home care and community support services, the roles and tasks of a POA, and so much more! Although currently held online, Momiji tenants, community seniors and their caregivers can attend in-person simply by booking ahead.

Please contact me if you have any questions, need any information about community resources, Momiji's application, our services, and/or programs and webinars. I can be reached

ciw@momiji.on.ca or by calling 416.261.6683, ext. 249.

It is hard to believe that I have been here six months already. I am enjoying the work and learning a lot although I have big shoes to fill since my predecessor; Keiko Hoshi is an amazing social worker and contributed tremendously to Momiji for more than 11 years. I had the privilege of working with her during collaborations between JSS and Momiji supporting clients or hosting programs together. I do my best to grow and serve you better every day. My office is next to the restaurant on the 2nd floor so if you happen to be at Momiji, please drop by my office and say hi!

Support Services

MOVING BACK TO A NEW NORMAL

By Shivonne Modeste, Coordinator, Support

Through out the pandemic, Momiji's Support Services department had to change the way we would normally provide services. We lessened the frequency of house keeping and bathing services, divided PSWs by floors and halted group physical therapy, all in order to maintain social distancing and to protect both staff and tenants from any potential COVID-19 Spread.

Now that we are moving back into

our new "normal", we just wanted to remind you that Support Services is here and ready to help support your independent living at Momiji! The following services are always available light house keeping, bathing assistance, assistance with personal care and daily check-ins by phone or visit. We also have a visiting Physiotherapist who offers both one on one and group physio sessions, as well as a visiting foot care nurse to help look after any foot problems you may have. Please speak to any Support Services office staff member, and we will gladly provide more information to you about what services we can offer.

(L to R) - Dr. Chan, Yuka, Miho, Akane & Kiyomi

THANK YOU DR. CHAN!

Our long time visiting family doctor has retired after 10 years! We are forever grateful that Dr. Roy Chan has been able to help provide excellent care to all our seniors over the years. Going forward, we are happy to welcome Dr. Berton Ung to Momiji. Dr. Ung is a Family Physician specializing in Geriatric care, and took over for Dr. Chan in June. As always, please reach out to our nursing team here at Momiji if you would like to book an appointment with the Doctor.

In addition to welcoming Dr. Ung,

please join us in welcoming the following new staff: Sandra Fonacier (PSW), Lourdes Takahashi (PSW), Konomi Miyashita (PSW), Kumiko Yau (PSW), John Brooker (Driver), Isabel Cabillas (PSW) and Miwa Yokoyama Delabbio (PSW).

Outreach

A FOND FAREWELL AND WELCOME TO THE NEW COMMUNITY PROGRAMS TEAM

By Lee Mixon, Manager, Community Services

"The Mississauga Community Dining Group and Momiji's Director of Care, Yuka Okada, help celebrate Kiyoshi's retirement"

Momiji finally bid a fond farewell to our long-time Community Programs Coordinator, Kiyoshi Dembo, at the end of March. Kiyoshi officially retired in November 2021, but graciously agreed to stay with us on a contract basis until March to allow us to find and train his successors. Kiyoshi worked for almost 25 years at Momiji with a focus on our outreach to the wider community. He was a hard-working and well-respected colleague, and the familiar, friendly and trusted face of Momiji for so many Japanese Canadian seniors across the GTA and beyond. He will be greatly missed by clients, staff and volunteers alike, and we wish him all the best in his well-deserved retirement. Dembo-san. gokurosama deshita!

Given the daunting amount of travel Kiyoshi's Coordinator position required, Momiji decided to replace his position with three part-time Community Programs Workers (CPWs). Each CPW is based in a different part of the GTA, with

Kiyoshi's main programs split up geographically amongst them. The program continues to include our partnership programs with Long Term Care homes that are home to concentrations of Japanese Canadian residents, and with our many Community Congregate Dining luncheons that are held at locations throughout the region. We're very pleased to introduce our new team of three CPWs:

- Kazumi Fukushima, our existing parttime CPW based at Castleview-Wychwood Towers, has taken on new duties as our GTA Central CPW, responsible for all programs at Castleview plus two community luncheons in Downtown Toronto (at the Japan Foundation Toronto) and Toronto West (at the Toronto Buddhist Church);
- Miyuki Terazono, formerly a volunteer with our Community Dining program, has taken on the GTA West CPW role, responsible for our luncheons in Mississauga, Oakville and Hamilton, plus

- our partnership programs at Macassa Lodge in Hamilton;
- Aika Kurashima, formerly of Shiseido Canada, has taken on the GTA East CPW role, responsible for our programs at Yee Hong Scarborough-Finch in north Scarborough, plus our community luncheons in Markham (at J-Town Shopping Centre) and in Don Mills.

We hope you will join us in giving Kazumi, Miyuki and Aika a warm welcome as they take on their new duties, bringing Momiji to the wider community across our region!

We are recruiting new clients for our Community Congregate Dining luncheons all across the GTA! If you'd like to gather together with other Japanese Canadian seniors in your community to enjoy great conversation, guest speakers and activities, and of course a delicious Japanese meal, contact us at community-services@momiji.on.ca for more information about how you can join us!

Around The Building

Bart Tanaka

By Carolina Yamashita, Manager, Seniors Residence

BATHROOM RENOVATION

With generous donations from two grateful families (Seko and Takamatsu) and \$20,000 in funding from the Japanese

Canadian Survivors Health & Wellness Fund, thanks to the support of the Greater Toronto Chapter of the National Association of Japanese Canadians, Momiji has purchased a new bathtub to replace the existing walk-in tub located on the third floor. The previous tub was approximately 15 years old, was not working properly and since it was a walk-in tub, anyone with a mobility issue could not easily use it. There was also no belt to secure the tenant so he/she had to be able to sit up by him/herself.

The new tub and lift is ideal for frailer seniors, including those who are bed-ridden who currently can only benefit from a sponge bath. The lift is matched to the bathtub that was developed for the safety and comfort of the client and caregiver. This modern tub is reliable, aesthetically pleasing and made using high quality materials. Its ergonomic interior design made from Glass Reinforced Plastic (GRP) lets

clients enjoy a safe bathing experience.

A renovation of the bathroom was required in order to accommodate the new larger bathtub. The interior wall was removed, the power supply and drain were relocated, a new 34" door was installed, the concrete was re-levelled and new tiles were installed

MAINTENANCE HAS A NEW TEAM MEMBER!

A new part-time maintenance team member was hired last Fall. Bart Tanaka is very kind and self-motivated and is a welcome addition to our team.

NEW SPEED BUMPS

As you may have noticed, we have installed speed bumps on the driveway to improve the safety of our residents, visitors and staff. Please drive slowly to protect our loved ones!

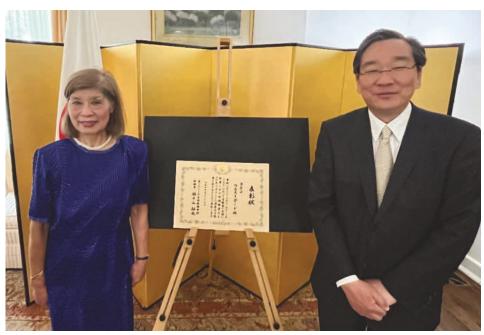

YONEKO WESTERGAARD - RECOGNIZED BY THE CONSUL GENERAL

This Spring, Yoneko Westergaard received the Consul General's Commendation, an award that is handed out only once or twice a year. The commendation was in recognition of Yoneko's contribution to Japanese-Canadian senior care by helping to grow the Momiji Centre to where it is today and recognizes her role as a strong liaison with the Consulate General's office, especially regarding the visit by Their Majesties the Emperor Emeritus and Empress Emerita in 2009 who were welcomed at Momiji. In his remarks, Consul General Sasayama also highlighted Yoneko's contributions when the Imperial Highness Princess Takamado of Japan visited in 1998 and 2004 and how instrumental and resourceful Yonkeo was in helping to fill Momiji when it was first built which involved looking through the phone book for Japanese last names so that she could help recruit residents. How times have changed!

Yoneko worked tirelessly for 29 years as the Director. Seniors Residence and was

one of Momiji's first employees. Congratulations on this well-deserved honour.

THANK YOU SUMMER STUDENTS OF 2021

By Cassandra Watanabe, Marketing Assistant (Summer Student)

Through the generosity of the Canada Summer Jobs Grant, Momiji received enough funding to hire two rounds of temporary employees in the Summer of 2021. The second group started work at Momiji in July 2021, determined to diligently continue to support Momiji like the Summer Students that had come before

Jamie Chung

In Client Intervention, Jaime updated Momiji applicants file, assisted with biweekly virtual workshops, and supported Momiji tenants by referring them to appropriate resources. Jaime felt she gained valuable work experience hosting online workshops and coordinating the weekly tech support program. She was grateful for the opportunity to practice her Japanese language skills when interacting with the Japanese-speaking tenlearn and more about Japanese-Canadian culture.

Benjamin Levy

In the Senior Active Living Centre, Ben helped tenants with their daily activities and Zoom classes. He enjoyed

engaging in meaningful conversations with tenants and assisting them in oneon-one tech help sessions. Ben used his lens as a public health and aging student to see firsthand how tenants' experience of aging can be so diverse. It inspired him to see tenants so eager and optimistic about life, but he also felt the gravity of dementia and frailty, how it creates ripples in the community and in an individual's daily life. As a member of the Yonsei generation, Ben strongly believes in the importance of continuing the legacy of care in the community, in honour of the previous generations of Japanese Canadians. After his Summer contract ended, Ben was hired as a parttime Program Assistant with SALC.

Catherine Mason

In the Economic Development and Donor Relations department, Catherine worked alongside Momiji's dedicated volunteers, organizing and cataloguing the many items donated to Momiji. She enjoyed learning more about Japanese and Japanese-Canadian cultural history, from both the enriching stories of the tenants, and the many beautiful items she worked with. Though Catherine gained many valuable skills while at Momiji, her personal favourite was learning the proper way of folding a kimono. Catherine has returned to Momiji as a summer student in 2022!

In Support Services, Sathurthika organized client files, updated client health care plans, and worked with the PSW Supervisor on improving the work environment and addressing concerns of front line staff. She also assisted with

Sathurthika Selvanayagam

shopping at Metro for the seniors. Sathurthika felt she became a more courteous and caring person through working closely with the residents of Momiji. She learned a lot from their stories of enduring the hardships of life. Working at Momiji was Sathurthika's first job, and the experience gave her confidence in her future success.

Saira Syed

In Finance, Saira worked maintaining and updating the spreadsheets pertaining to Momiji's finances. Throughout her time at Momiji, she learned how to apply her business and accounting knowledge to tasks, and gained experience interacting with seniors. Whether she was learning how to prepare a reconciliation or assisting tenants with their groceries, Saira was grateful to be welcomed into the caring and charismatic community of Momiji!

Just as the Summer Students are thankful for the opportunity to contribute to Momiji and learn from their diverse experiences, Momiji thanks the Summer Students for all their hard work and dedication! We hope the skills learned here carry them forward into success.
